Dear Kindergarten Families,

We look forward to having your child join the Banff Elementary School Kindergarten program for the 2024-2025 school year! To facilitate a successful start, Kindergarten Gradual Entry consists of two parts:

Part One: Kindergarten students will come to the classroom one at a time to participate in initial assessments and meet our Kindergarten teachers. During this time, BES Kindergarten teachers will be working with your child to determine their strengths and interests. **Parents/Guardians will stay during this time.**

An email will be sent early August with a link to sign up for a 20 minute time slot on ONE of the following days: Monday August 26, Tuesday August 27, or the morning of Wednesday August 28.

We will create initial classes after meeting and assessing our new Kindergarten students and inform parents of who their child's teacher is on the afternoon of Wednesday August 28. Should there be any changes to your child's class placement after this date, parents will be notified by administration.

Part Two: Kindergarten students will be given an opportunity to experience two half-days with half of their class. This provides a gentle introduction to Kindergarten in a smaller class setting. At this time the students will be under the school's direct supervision, so **parents will not attend. Please provide a healthy snack and water bottle for your child.**

Part two classes will take place on Thursday August 29 and Friday August 30; your child will attend one day in the morning (8:30 am - 12:05 pm) and one day in the afternoon (12:55 - 3:02 pm). **You will receive an email in mid-August with these details.**

Bus transportation will be available on August 29 and August 30 for those students signed up with CRPS Transportation. If your child is scheduled for the morning session, they can take the bus to BES at their regular morning bus pick-up time, but a parent will need to pick up from BES at 12:05 pm. If your child is scheduled for the afternoon, a parent will need to drop off at BES at 12:55 pm, but the child can take the bus home at the end of the day at 3:02 pm.

Regular classes for all Kindergarten students will begin on **Tuesday September 3, 2024**. During this first full-day, students will attend school from 8:30 am until 3:02 pm. There will be regular bus service on this day in the morning and afternoon.

Please note, after the initial introduction, there are no Kindergarten classes on all Fridays until Friday November 22, 2024. Please refer to the Kindergarten calendar that can also be found on our website: [BES Kindergarten 2024-2025 Learning Calendar](#).

Additional Information:**IN SCHOOL SERVICES:**

Our school Speech Language Pathologist, Gillian Kastendieck and Occupational Therapist, Megan Taylor will be visiting and observing the Kindergarten classes at the beginning of the year. Gillian will be observing how your child articulates their words, understands language, and communicates their thoughts to others. Megan will be observing how your child completes daily living tasks, uses their hands to complete drawing and cutting activities, and how they manage their energy levels, emotions, and behaviours in the classroom. The intent of observation is to provide relevant strategies to the classroom staff as well as to identify children who may benefit from receiving more targeted support.

TRANSPORTATION:

If bus transportation is required and you haven't already completed the online registration form for the bus, please complete a School Bus Registration Form that can be found within your student's profile in SchoolEngage. Please note that BES Kindergarten students are always picked up from the bus and escorted to their classrooms in the morning, and picked up from their classrooms and escorted to the bus in the afternoon, all year.

This is a free service for BES families and registration is required each year. Please [click here](#) to register for the Before School Care program for the 2024-2025 school year.
