

NICE TO MEET YOU!

WELCOME TO 5M!

A BIT ABOUT ME!

MADDY MAYNE

I am originally from Australia, a small country town called Mildura! I moved to Banff at the start of Summer and am absolutely loving this beautiful mountain town! I have been a teacher for 7 years now and am so excited to join the community at BES!

Outside of school, I love being active and playing sport - mainly netball, although since moving to Canada my weekend activities consist of hiking, paddle boarding and exploring the area. Travelling is another passion of mine and I am lucky to have been to some amazing places, with many more still on my bucket list!

My family are very important to me. We love to watch the footy (Australian Football) together, travel and always have fun when we all catch up. I have a beautiful dog 'Dusty', but sadly I had to leave him back Australia!

I am so excited to spend 2024/25 learning and growing with you all! Please don't hesitate, if you would like to contact me - maddison.mayne@crps.ca
