

Immunizations for Kindergarten Students

Dear Parent/Legal Guardian of pre-kindergarten or kindergarten students,

As you plan for your child to attend kindergarten, this is an ideal time to review your child's immunization history. It is important to keep your child's immunizations up to date in order to prevent disease and to help keep them healthy.

Children are due for the following routine vaccines at 4 years of age:

- Diphtheria / Pertussis / Tetanus / Polio

These immunizations are provided free of charge.

Immunization Records: any Albertan can submit immunization records, including out-of-province/country records at [Immunization record submission \(alberta.ca\)](https://www.alberta.ca/immunization-record-submission)

Please call Health Link at 8-1-1 to book an appointment for your child at any of the clinics listed below.

Thank you,

AHS Public Health Immunization Team
